INFORMATION SESSION

IR 422: Ecological Security and Global Politics

Summer 2018 in Iceland, Norway, and Finland

Professor Steven Lamy

This 4-unit Problems Without Passports course will explore the complex issues surrounding climate change and its impact on the Arctic region through one week of class study and three weeks of field work in Iceland (Reykjavik and Akureyri), Norway (Oslo and Tromsø), and Finland (Inari, Rovaniemi, and Helsinki).

The first information session will be held

Thursday, November 9th at 5:00 pm in VKC 151
