Diversity, Equity and Inclusion Student Forum

Hosted by
Dean Amber Miller and Associate Dean and Chief Diversity Officer
Kimberly Freeman

All USC Dornsife students are invited and encouraged to attend this candid conversation. Dean Miller will introduce Associate Dean Freeman who will address your questions concerning diversity, equity and inclusion issues. Together, we will explore the actions that USC Dornsife can pursue over the next five years to improve in these areas. We will consider questions such as:

What diversity, equity and inclusion changes might we enact to best serve the needs of faculty, students and staff?

How can we as a community carry out the mission of USC Dornsife with diversity, equity and inclusion as core values?

These discussions will inform our creation of the USC Dornsife Diversity Plan — an important component of the USC Dornsife Strategic Plan that is under development.

If you are interested in contributing your thoughts on USC Dornsife’s diversity, equity and inclusion future, please join us on Wednesday, April 11 at 4:30 p.m.

Light refreshments will be served.
