My main goals for studying abroad:

The counties/regions that interest me most:

The things that I am worried/concerned about (for certain destinations or for studying abroad in general):

The program(s) or type(s) of program that I am considering (if you have already started looking into programs):

The courses I might need or would like to take are:

The questions I still have (about the specific program or study abroad in general):

The questions I need to ask my major/minor advisor:

The questions I need to ask a study abroad advisor are:

3 steps that I will take this semester to work towards my goal of studying abroad:

1. 

2. 

3.
