HISTORY HONORS PROGRAM
APPLICATION, SPRING 2010

Student name: _________________________________________________

10-digit USC ID number: ________________________________________

Address: _____________________________________________________

_________________________________________________________________

_________________________________________________________________

e-mail:_____________________________________  phone:______________________________

Proposed Topic:__________________________________________________________________

_______________________________________________________________________________

_______________________________________________________________________________

Prior coursework relevant to topic:___________________________________________________

_______________________________________________________________________________

_______________________________________________________________________________

Please attach a thesis proposal of one or two pages that identifies the historical problem you plan
to investigate, proposes an approach to it, and enumerates the key historical studies that have
helped you conceptualize your proposed work.
