**HBIO 405: Evolutionary Medicine**  
(4 units)

Offered Fall 2016  
Co-taught by Drs. Bogart & Polidori Francisco  
Tue, Thurs 12:30-1:50pm

This course is an approved elective for Human and Evolutionary Biology majors

**Overview:** This is an interdisciplinary course discovering the evolutionary, cultural, and environmental factors in the emergence and existence of human diseases with a focus on the Darwinian (evolutionary medicine) examination of illness. Recommended Preparation: HBIO 200 or other course focusing on evolution.
