License

Each participant in the Urban Tides Community Science Initiative retains the copyright to his/her photograph(s) and description(s). However, through their submission, each participant explicitly grants USC Sea Grant, partners and designees and irrevocable, nonexclusive license for the duration of copyright to use and share each photograph and any accompanying narrative text for non-commercial educational, research, outreach and promotional purposes, in any and all media now known or hereafter created (including but not limited to publication in catalogs, brochures, newspapers, magazines, blogs, presentations, websites and social media).

Limitation of Liability

By participating in the Urban Tides Community Science Initiative, participants agree to release, discharge and hold harmless USC Sea Grant, partners and designees from any claims, losses, and damages arising out of their participation in this initiative or related activities. USC Sea Grant, partners and designees assume no responsibility for any error, omission, interruption, deletion, defect, or delay in telephone network or lines; computer online systems; servers, providers, or applications; computer or cell phone equipment; human errors or any kind; or any combination thereof.
