Students majoring in International Relations are required to take ONE course from each of the following fields:

**International Politics & Security Studies:** War and peace are at the heart of relations among nations. These courses investigate defense analysis, arms control, peace-building, and strategic studies. The domestic, technological, and international factors influencing defense and arms control policies and negotiations are considered. The World Wars, Korea, Vietnam and the numerous crises of the Cold War are the backdrop in these courses.

IR 303: Leadership and Diplomacy  
IR 304: Espionage and Intelligence  
IR 307: Contemporary International Politics  
IR 309: Global Governance  
IR 310: Introduction to Peace and Conflict Studies
