The Mathematical Finance Program in the Dana and David Dornsife College of Letters, Arts and Sciences of the University of Southern California in Los Angeles, California, seeks to fill a position of Assistant Professor (NTT) of Financial Mathematics with an anticipated start date of August 2016. This is a non-tenure-track position with term of up to 3 years and a teaching load of 3 semester courses per year.

This position will be based in the Department of Mathematics, under the auspices of both the Department of Mathematics and the Department of Economics. Successful candidates should demonstrate research promise and evidence of quality teaching. Applicants should have a doctoral degree in Mathematics and/or an appropriate field of Mathematical Finance.

To apply, please submit the following materials: letter of application and curriculum vitae, including your e-mail address, telephone and fax numbers, preferably with the standardized AMS Cover Sheet. Candidates should also arrange for at least three letters of recommendation to be posted on MathJobs by the letter writers, at least one of which addresses teaching skills. Please submit applications electronically through MathJobs at www.mathjobs.org. As an alternative and only if necessary, materials can be mailed to:

Department of Mathematics  
Dornsife College of Letters, Arts and Sciences  
University of Southern California  
3620 Vermont Avenue, KAP 104  
Los Angeles, CA 90089-2532

In order to be considered for this position, applicants are also required to submit an electronic USC application; follow this job link or paste in a browser: http://jobs.usc.edu/postings/56316.

USC is an equal-opportunity educator and employer, proudly pluralistic and firmly committed to providing equal opportunity for outstanding persons of every race, gender, creed and background. The University particularly encourages women, members of underrepresented groups, veterans and individuals with disabilities to apply. USC will make reasonable accommodations for qualified individuals with known disabilities unless doing so would result in an undue hardship. Further information is available by contacting uschr@usc.edu.
