FISHER FELLOWSHIP PROGRAM

The Fisher Fellowship is the first program at USC Dornsife that enables students with financial needs to fully participate in the enrichment opportunities that are at the heart of the college. Students selected for this program will receive funding which may be used over a three-year period to participate in programs that involve international travel, field research, and service to various communities. Additionally, Fisher Fellows will choose a service project each year that gives back to a selected community, be it USC, greater Los Angeles, or internationally-focused.

SCHOLARSHIPS & FELLOWSHIPS
$6,000 scholarship to be used for academic activities

UPCOMING EVENTS
Applications for the next class of fellows are being accepted through *February 10th*! Eligible applicants are first-generation freshmen with demonstrated financial need and a major in USC Dornsife. Please visit our website for further information.

Asian Pacific American Student Services (APASS) is a department within the Division of Student Affairs that offers an array of programming designed to educate, engage and empower students. APASS has a two-fold mission: to facilitate Asian Pacific American participation, dialogue, community-building, and empowerment, while at the same time, to serve as a source of cross-cultural educational programming for the entire campus. We strive to create unique learning opportunities that include mentorship, leadership development, advocacy, and community involvement. We understand the distinctive needs among the different ethnicities within our Asian Pacific American community, and we succeed in deriving strength from our diversity. We believe in a pan-Asian Pacific American identity that is rooted in the Civil Rights Movement, and continues to grow in the transnational sphere.

Our programs include:

- APA Student Welcome
- CIRCLE: Social Justice & Leadership Development
- Connections! Career mentoring
- PEER First-year Student mentoring
- Alternative Spring Breaks to Hawaii & Manzanar
- TIE: Community Internship Matching
- South Asian & Native Hawaiian/Pacific Islander Initiatives
- Project Remix: Multicultural programs (in collaboration with the other cultural centers)

DORNSIFE OFFICE FOR DIVERSITY AND STRATEGIC INITIATIVES

We support the full inclusion of all of our student populations and develop programs aimed at ensuring that each student takes full advantage of opportunities to be successful at USC and beyond. We have created specific programs to target our first generation college population and strategies to support our under-represented minority students in USC Dornsife. Our Office also assists departments in the recruitment, mentorship and retention of diverse faculty members across the three divisions of the College: Humanities, Natural Sciences and Social Sciences. This work includes ensuring that every USC Dornsife faculty search committee casts its net widely in search of diverse faculty candidates. Additionally we partner with organizations focused on community engagement as our investments in the community serve to remind us that we are developing a cadre of civically minded students and faculty who are committed to linking their research to practical solutions to the most pressing community problems. Starting this semester, we are also offering a new Dornsife major in Contemporary Latino and Latin American Studies (CLLA).

WOMEN’S STUDENT ASSEMBLY

The Women’s Student Assembly (WSA) is one of eight assemblies within Program Board – a branch of the Undergraduate Student Government at USC. Inspired by feminists and powered by students, WSA works on and off campus to address feminist issues, to engage the community, and to empower those oppressed by the patriarchy. With a network of diverse organizations and a proactive stance in sponsoring political, educational, social, and community events, WSA seeks to raise the awareness, impact, and voices of those oppressed by the patriarchy. The Women’s Student Assembly is a queer and trans inclusive organization working towards intersectional, collective liberation. We are called the Women’s Student Assembly because that is the name that it was founded upon. However we welcome people of all gender identities who experience some form of sexism.
