

Natural Sciences

Colin

Major: Applied and Computational Mathematics (Pre-Law)

Minor: AI Applications

Year: Senior

Hometown: La Cañada Flintridge, CA

Internship: Product Management Intern

Involvements: Thematic Option, Freshman Year Experience Committee, Marshall Cast Team

Mohammed Ali

Major: Biochemistry (Pre-Med)

Year: Freshman

Hometown: Dearborn Heights, MI

Research: Investigation of how chemical constituents of foods and fluids are detected.

Involvements: Mobile Clinic at USC, Biology Club, Environmental Student Assembly, USC Triathlon, Freshman Science Honors

Vivian

Major: Biochemistry (Pre-Med)

Year: Junior

Hometown: San Francisco, CA

Research: Zhang Lab

Internship: LA General Hospital

Involvements: Freshman Science Honors, Thematic Option, Residential Housing Association, USC Auxiliary Services, USC Palaver Magazine, USC Trochem

Charli

International

Major: Biochemistry (Pre-Grad)

Minors: Gender and Sexuality Studies; English Literature

Year: Sophomore

Hometown: Taipei, Taiwan

Involvements: Freshman Science Honors, Residential Advisor, Nucleus Journal Writer and Editor, Dialogue Society Associate Member, Dragon Boat

Edan

Major: Biological Sciences (Pre-Med)

Year: Junior

Hometown: Los Angeles, CA

Research: Fraser Lab - role of genetics in congenital heart defects in zebrafish models.

Involvements: Freshman Science Honors, Trojan Debate Society, USC Tour Guide, USG: Academic Culture Assembly and Trojan Pride Committee

Karissa

Major: Biological Sciences; Anthropology (Pre-Med)

Year: Senior

Hometown: San Francisco, CA

Research: Tower Lab: Molecular biology/gerontology lab; VaSC Lab

Involvements: Trojan Health Volunteers, Student Health Office of Health Promotion and Strategy, Pre-health Office Student Advisory, Med-COR, USC CURAM Magazine

Ryan

Major: Biological Sciences: Cell, Molecular, Developmental; Legal Studies (Pre-Med)

Minor: Healthcare Studies

Year: Sophomore

Hometown: Seattle, WA

Research: Natural History Museum Marine Biodiversity Center

Service Learning: Joint Educational Project

Involvements: Freshman Science Honors, Los Angeles Community Impact (LACI), Emergency Medical Services at USC (EMSC), WoundWalk: Volunteer EMT, Moot Court, Rock Medicine: Volunteer EMT, California Hospital Medical Center.

Yuanhao

International

Major: Chemistry (Pre-Grad)

Year: Sophomore

Hometown: Shanghai, China

Research: USC Inkpen Lab

Service Learning: Prison Education Project

Involvements: Tennis Club

Darrin

Major: Environmental Science & Health (Pre-Law)

Minor: Political Science

Year: Junior

Hometown: New Rochelle, NY

Research: Kennel Lab on coral growth; Environmental Sustainability through the USCCU

Study Abroad: Maymester on Catalina Island.

Internship: SHPEP Medical Internship

Involvements: Co-Founder of Caribbean Student Association, Health Chair for the NAACP USC Chapter, Co-Founder and President of Justice in Motion, ESA.

Calista

Major: Human Biology (Pre-Med)

Minor: Stem Cell Biology and Regenerative Medicine

Year: Sophomore

Hometown: Orange County, CA

Research: Chai Lab at the Center for Craniofacial Molecular Biology

Involvements: Freshman Science Honors, Trojan Health Volunteers, Mobile Clinic at USC, Course Assistant, USC Reach

Heesoo

Major: Human Biology (Pre-Med)

Minor: East Asian Languages & Cultures

Year: Junior

Hometown: Houston, TX

Research: USC MCB Cherezov Lab

Involvements: Freshman Science Honors, Band Kori, KOJOBS, Intramural Tennis Club, Serve LA Volunteer

Sarah

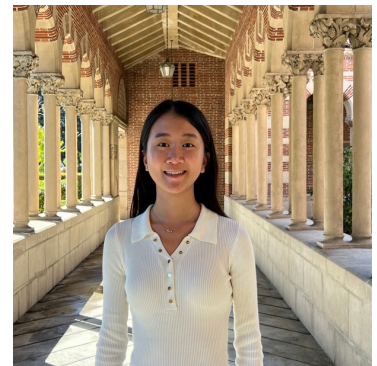

Major: Human Biology (Pre-Med)

Year: Freshman

Hometown: Irvine, CA

Research: Brain and Creativity Institute

Involvements: National Alzheimer's Buddies, SCOUT, Flying Samaritans

Alex

Major: Neuroscience (Pre-Med)

Minors: Middle Eastern Studies

Year: Senior

Hometown: Los Altos, CA

Research: Hagey Laboratory for Pediatric Regenerative Medicine at Stanford, USC Phage Hunters

Internship: Gateway Internship Program

Involvements: Freshman Science Honors, FSH Outreach & Mentorship President, Supplemental Instruction Leader, Cope Health Scholar, Clinical Observer.

Amy

Major: Neuroscience (Pre-Med)

Minors: East Asian Languages and Cultures - Japanese

Year: Junior

Hometown: Leemore, CA

Research: USC Jakowec Lab on Alzheimer's and Parkinson's

Involvements: USC Interaxon, USC Veterans Resource Center, Undergraduate neuroscience honors program.

Nicole

Major: Neuroscience; Psychology (Pre-Med, Pre-Grad)

Year: Senior

Hometown: Los Angeles, CA

Research: Neuroimmunology Research at Children's Hospital Los Angeles; Neural Vitality Lab

Involvements: JEP Tutor, Chinese American Student Association, Asian Pacific Cinema Association

Bhuvi

Major: Neuroscience (Pre-Med)

Minor: Healthcare Studies

Year: Junior

Hometown: Fremont, CA

Research: Emotion and Cognition Lab; Hepatitis C Initiative at the LA County Department of Public Health and the Klausner Research Group

Internship: Abbott Laboratories

Involvements: Trojan Health Volunteers, Co-Founder of Adaprosthetics, Emergency Department Volunteer, Residential Assistant, Blueprints for Pangaea, One-Prosper International

Nalani

Major: Neuroscience (Pre-Med)

Year: Sophomore

Hometown: Honolulu, HI

Internship: Hawaii Pacific Health Careers Intern

Involvements: Freshman Science Honors, Chinese American Student Association, Interaxon, Asian Pacific American Medical Student Association, SC Girl Gains, Hawaii Club

Alejandra

Major: Neuroscience (Pre-Med)

Year: Junior

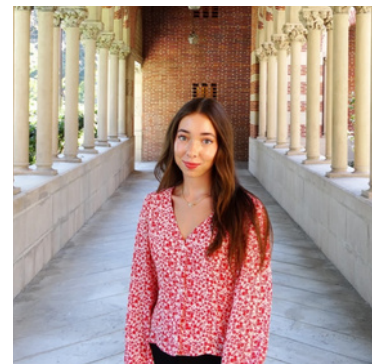

Hometown: Norwalk, CA

Research: Siegel Lab - schizophrenia lab

Internship: Family Medicine Physician shadowing, Occupational Therapy/Physical Therapy shadowing, Advisement Internship.

Study Abroad: Maymester studying Mammalogy in California and Nevada

Involvements: Trojan Health Volunteers, USC Keck Hospital Volunteer, Ronald McDonald House, SCOUT

Victoria

International

Major: Neuroscience

Minors: Consumer Behavior; Customer Analytics

Year: Senior

Hometown: France/Brazil

Internship: Caruso Marketing Intern, Summer Marketing Internship

Involvements: Brazilian Student Association, Expat Society

Swanee

First Generation

Major: Neuroscience; French (Pre-Med)

Year: Freshman

Hometown: Providence, RI

Involvements: GEP, USC AED

Gunn

International

Major: Neuroscience (Pre-Health)

Year: Freshman

Hometown: Bangkok, Thailand

Involvements: Biotech&Pharm Pre-Professional Society, Volunteering with Project Sunshine

Angela

First Generation

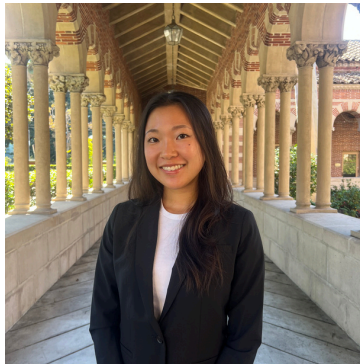

Major: Psychology; PR & Advertising (Pre-Law)

Year: Junior

Hometown: Dublin, CA

Internship: JOAN Collaborative strategic communications

Involvements: JEP, Asian American Tutorial Project, USC Women in Law

Jeessoo

Major: Psychology (Pre-Law)

Minor: Forensics and Criminality

Year: Freshman

Hometown: Houston, TX

Service Learning: Prison Education Project (Reader's Circle)

Involvements: Haute Magazine, Moot Court, Trojan Review, KOJOBS, SWIL

Zack

Major: Psychology (Pre-Med)

Minor: Musical Theater

Year: Sophomore

Hometown: Shelton, CT

Research: Addiction and Self Control Lab; SOAR - Cerebro Project

Involvements: Troy tones a cappella, AED, Los Angeles General Medical Center: volunteer

Heiger

International

Major: Psychology; History

Year: Senior

Hometown: Cixi, China

Research: Social Learning & Choice Lab; Stolen Relations - recover stories of indigenous enslavement.

Internship: Human Resource Intern

Involvements: JEP, Phi Alpha Theta, the Scroll, Clio

Niceidy

First Generation

Major: Psychology (Pre-Grad)

Minor: Neuroscience

Year: Sophomore

Hometown: Pocono Mountains, PA

Research: fMRI research on the relationship between major depressive disorder and the default mode network.

Service Learning: Joint Educational Project

Involvements: Resident Assistant, Fisher Fellowship Program, Brain Exercise Initiative

Anmol

Major: Quantitative Biology (Pre-Med)

Minor: Healthcare Studies

Year: Sophomore

Hometown: San Jose, CA

Research: USC Convergent Science Institute in Cancer

Service Learning: JEP, Trojan Health Volunteers; Prison Education Project

Involvements: Freshman Science Honors, Biokind Analytics at USC, USC Project RISHI, Emergency Medical Services of USC

Michael

First Generation

Major: Quantitative & Computational Biology ; Global Health (Pre-Med)

Minors: Healthcare Studies

PDP: Biomedical Engineering

Year: Senior

Hometown: Columbus, OH

Research: Biology Research at USC School of Gerontology, USC Keck on BIPOC Discrimination Research and Hypertension Disparities Research

Internships: Merck & Co; University of Pennsylvania Wharton School & Leonard Davis Institute (LDI); USC Institute on Inequalities in Global Health

Study Abroad: London, UK

Involvements: USC African-Americans in Health, USC Undergraduate Student Government, Undergraduate Teaching Assistant, USC Kidney Disease Screening and Awareness Program, National Society of Black Engineers, Overseas Studies Ambassador

Erika

Major: Quantitative Biology (Pre-Grad)

Year: Senior

Hometown: McLean, VA

Research: Jakowec Lab at USC Keck Dept. of Neurology.

Study Abroad: Maymester in Dijon France; Maymester in Bodega Bay and Taipei, Taiwan

Involvements: Trojan Health Volunteers, Teaching Assistant, Beta Rho Chi, Natural History Museum of Los Angeles County, USC CURAM Magazine
