

**University of Southern California  
Archaeology  
ARCG 490 Directed Research Contract**

**This course is only open to upper division students who have demonstrated the ability to successfully complete independent work in the discipline. The course requires consent of the instructor and a written contract of course requirements signed by both the instructor and student. This course is not available for graduate credit and is not open to students with less than a 2.0 GPA overall or any restricted academic status. A student may accumulate a maximum of eight units of 490 in any one department and 16 units toward the degree.**

**FACULTY ADVISOR AND DEPARTMENT TO COMPLETE THIS PART**

I agree to supervise the student's proposed honors research project. In my opinion, the student is academically prepared and is intellectually capable of carrying out the work which will be educationally beneficial. The project outlined is in conformity with the department's approved guidelines for ARCG 49 Directed Research courses.
