INFORMATION SESSION: IR-370

Global Governance and Health: From Global to Local
Summer 2018 in Geneva and Uganda

Lead by Professor Heather Wipfli

This course exposes students to global health governance issues on the global, national, and local levels. Following an intensive week of preparation at USC, students will serve as non-governmental delegates to the World Health Assembly in Geneva, Switzerland. The group will then fly to Uganda to see how global actors influence the health initiatives of government, academic, non-profit, and health professional agencies, as well as observe program implementation in rural community settings.

Applications accepted until January 12, 2018!

The first information session will be held Tuesday, December 5th at 1:00pm in VKC 300a
