Course Description and Objectives:

EALC322 (Advanced Japanese II) is a direct continuation of EALC320 (Advanced Japanese I). It is designed to further develop the student’s Japanese proficiency aiming to bring them to an advanced level. The students should improve and strengthen abilities to speak, listen, read, and write coping with variety of topics and situations that are more involved than those in EALC320. Regular attendance and active class participation are essential to a successful performance in this course. Instructions will be given solely in Japanese.

The specific objectives of this course are:
1) to develop oral/aural communication skills as well as reading and writing skills at the pre-advanced to advanced level;
2) to help students acquire pre-advanced-level expressions and vocabulary, including kanji;
3) to promote an understanding of present-day Japanese culture;
4) to nurture self-learning skills through homework and projects.

A letter of verification for approved accommodations can be obtained from DSP. Please be sure the letter is delivered to me (or to TA) as early in the semester as possible. DSP is located in GFS 120 and is open 8:30 a.m.–5:00 p.m., Monday through Friday. Website for DSP (https://dsp.usc.edu/) and contact information: (213) 740-0776 (Phone), (213) 740-6948 (TDD only), (213) 740-8216 (FAX) dspfrontdesk@usc.edu.

Academic Integrity:
USC seeks to maintain an optimal learning environment. General principles of academic honesty include the concept of respect for the intellectual property of others, the expectation that individual work will be submitted unless otherwise allowed by an instructor, and the obligations both to protect one’s own academic work from misuse by others as well as to avoid using another’s work as one’s own. All students are expected to understand and abide by these principles. SCampus, the Student Guidebook, contains the University Student Conduct Code (see University Governance, Section 11.00), while the recommended sanctions are located in Appendix A.

Course Policies:

1. Attendance and class performance (10%):
You are expected to attend all classes and to be punctual. Your class performance is evaluated for each session on the 5-point scale. You are expected to speak only in Japanese once you enter the classroom. Even when you ask questions, make sure to obtain permission to speak in English by saying 「英語で質問してもいいでしょうか」. All other communication must be held in Japanese. Failure to observe this rule (e.g., speaking in English in class too often, chatting with your classmates in English) negatively affects your grade. Tardiness and leaving early also negatively affect your grade. You will lose 1 point every time your cell phone makes a noise. Please silence your cell phone before entering the classroom! If you use your cellphone/laptop/tablet etc. to do something unrelated to the class in session, you would lose all the performance points of the day.

If you have to miss a class because of a religious observance, you must let the instructor know about it within the first two weeks of the semester. In general, if you have to miss a class, try to contact the instructor either by email or by phone as soon as possible so that you will not miss any information and that you can obtain permission to submit homework late, to make up quizzes, etc. If a student misses four consecutive sessions without notifying the instructor, it is considered to be a sign of withdrawal from the course, and no handouts, quizzes, tests, or information will be saved for her/him thereafter. If you miss 40 percent or more of total class time during the semester, you will automatically receive an F, regardless of your performance in the class.

2. Homework (10%):
Homework is an important part of this course. All homework should be submitted on the days specified in the weekly schedules (available on Blackboard) in order to receive full credit.

When the worksheets are assigned as homework, you should:
(1) answer the questions with your best effort by consulting with textbook, PowerPoint slides of lessons, dictionaries, and other references but without help from other people,
(2) correct your mistakes with a pen of a different color by checking the answers (given on Blackboard or the answer section of the kanji workbook),
(3) submit them in class.
Both your original answers and the corrections should be visible to the instructor. After checking the answers, if you find your first answers were perfect, write “間違はありません。” or “見ました。” with the pen of different color. If your homework is not completed or not corrected fully or not marked with “間違はありません。” or “見ました.”, you will not earn the full points.

Whenever you have problems turning in an assignment on time or have any questions about your own answers, please talk to the instructor.

Please refer to the separate handout (“How to Complete Your Homework Assignments”) for the submission and the grading system of homework assignments. The handout is available in the “Content” folder in Blackboard.

If a single assignment (listed under a single-bullet in the “HW to hand in” column) has multiple pages, please put the pages in order and staple them together. Failure to do so will result in 50% credit. Do not staple different assignments together or use paper clips.

3. 漢字・単語小テスト Kanji/vocabulary Quizzes (5%):
   A mini quiz on kanji and vocabulary will be given two to three times for each chapter. They are usually given at the beginning of the class. You are required to memorize kanji and vocabulary in each chapter’s 漢字リスト and 単語表, as specified in the weekly schedule. Note that there are kanji you should be able to both read and write (R: 読み方・書き方を覚える漢字) and kanji you should be able to read (R: 読み方を覚える漢字). You are required to memorize the meanings of both RW and R kanjis as well. As for vocabulary, you need to memorize the words shown in bold face (太字.) Two lowest quiz scores will be automatically dropped from your total score.

4. 文法小テスト Grammar Quizzes (6%):
   A mini quiz on new grammar points and the use of the particles will be given once per chapter. The quiz will take about 15 to 20 minutes of class time. The format will be discussed in class.

5. ブロッシング Blogging (3%):
   You are required to post at least one blog in Japanese every week. The topic of blog will be specified in the weekly schedule or discussed in class. You will also be instructed to read your classmates’ blog and leave comments.

6. ミニ発表 Mini Presentations (7%):
   At the end of each chapter, each student will perform a mini presentation on the topics related to the contents of the chapter. The topic and format will vary chapter by chapter and the details will be discussed in class.

7. 会話パートナー Conversation Partner (2%):
   Each student is matched with a Japanese native speaker by the second week. You are going to practice conversation in Japanese at least 30 minutes every week. Depending on the partner’s demand, you will help the partner’s conversation practice in English or your native language. 8 weekly reports (会話ログ) in total should be submitted in the set format.

8. 個人面談 Conversation Clinic (2%):
   You are required to attend Conversation Clinic twice in the semester. The clinic session is an individual meeting with the instructor to check and discuss the problems in their pronunciation, conversation strategies, or any other aspects of Japanese. The first Conversation Clinic sessions will be during Week 1&2, and the second sessions will be during Week 12.
8. 第X課のテスト Chapter Tests (10%):
   Two chapter tests will be given at the end of Chapters 5 and 7. No make-up tests will be offered unless the student has a legitimate reason and gets the instructor’s approval in a timely manner.

9. 口頭試験 Oral Exams (10%):
   Two Oral examinations will be given during the semester at the end of chapters 6 and 8. The content of each exam is cumulative and will be discussed in class before each exam. No make-up exams will be offered unless the student has a legitimate reason and obtains the instructor’s approval in a timely manner.

10. 中間試験 Midterm Exam (15%):
    Midterm examination consists of two 50 min. written exam sessions. The content of the exam is cumulative, i.e., it will cover everything you will have learned up to that point. No make-up midterm exam will be given, unless the student submits a written request for an alternate date beforehand, stating the unavoidable circumstances leading to an expected absence from the exam in question and secures approval from both the instructor and the program director for the make-up exam.

11. 期末試験 Final Exam (20%):
    The final written exam (2 hours) will be given at the time specified in the Schedule of Classes. You must take the final exam at the time scheduled for this course. It is your responsibility to resolve potential final exam schedule conflict before you finalize your course registration for the semester (by the end of the 3rd week). Check your final exam schedules on the Final Examinations Schedule: http://classes.usc.edu/term-20201-finals/

    Stipulations governing the make-up of a missed final exam will follow the general university policy. Once again, you must score 60% or more on the final exam in order to pass the course. Also, if you miss 40 percent or more of total class time during the semester, you will automatically receive an F, regardless of your performance in the class.

    Final Exam: Friday, May 8th  11:00 a.m. - 1:00 p.m. @VKC109

    Your being officially enrolled for the course will be taken as confirmation that you have read and understood this syllabus, and agree to its requirements and other relevant conditions stated therein.
