Ph.D. ACADEMY INCENTIVE PROGRAM

The programming offered by the Ph.D. Academy is designed to support your professional development and research needs, within the academy and beyond. To this end, we are now pleased to be able to offer a certain amount of financial research support to our participants. Students in year 2 and beyond who attend a minimum of four Ph.D. Academy events during the course of the academic year are eligible to apply for up to $500 from the Ph.D. Academy Scholarship and Research Fund. Eligible students must submit a one-page explanation of the research project, planned use of funds, and research timeline along with a record of their Ph.D. Academy attendance, to phdacademy@dornsife.usc.edu by May 1, 2021. Students should be advised that this is a selective application process; however, we will attempt to fund as many such applications as possible.
