**Psychology 400-Level Requirement:** Two 400-level Psychology courses, ranging from 400-499 but not 490x 8 units

**Psychology Elective Requirement:** One Additional Psychology course, either upper or lower division 4 units

**Please Note:**
1. All courses used to count towards the major must be taken for a letter grade. A grade of C- or higher is required to count a class toward major requirements.
2. Acceptable substitutions for PSYC 100 include, but are not limited to: AP Psychology score of 4 or 5 and Higher Level IB Psychology Score of 5, 6, or 7. Please see Psychology Advisors for PSYC 100 prerequisite waiver.
3. Acceptable substitutions for MATH 114 include, but are not limited to: AP Statistics score of 4 or 5, MATH 208, MATH 218, or MATH 265. Please see Psychology Advisors for MATH 114 prerequisite waiver.
4. For substitutions of transfer or other USC courses for major requirements, the courses must be at least 2.67 units, must be approved by the Psychology Department and are subject to University policies.
5. It is recommended that no more than two upper division psychology courses be taken prior to the completion of PSYC 274 and PSYC 314L.
6. PSYC 339Lg may be used to fulfill both the GE Category IV and the Developmental Area Requirements. PSYC 165, PSYC 201 and LING 275 may be used to fulfill both the GE Category IV and the Psychology Elective Requirement.
7. PSYC 440 may be used to fulfill either the Cognitive Category or the 400-Level course requirement, but not both requirements.
8. PSYC 404, PSYC 420 and PSYC 426 may be used to fulfill either the Biological Area or the 400-Level course requirement, but not both requirements. PSYC 404 also requires PSYC 274 and PSYC 314 in addition to the PSYC 100 prerequisite.
