Please Note:

1. All courses used to count towards the minor must be taken for a letter grade.
2. A minimum of 16 units must be unique to the minor in that they do not count for another major or minor. A minimum of 16 units must be from outside your major department.
3. All upper division courses (300-499 range) for the minor must be taken at USC.
4. Acceptable substitutions for PSYC 100Lg include, but are not limited to: AP PSYC score of 4 or 5 and Higher Level IB PSYC score of 5, 6, or 7. However, these substitutions do not earn General Education (GE) credit for students who started college in Fall 2015 or later. Please see Psychology Academic Advisors for PSYC 100Lg prerequisite waivers.
5. On the Transfer Credit Report in OASIS, "TR-PSYC" for introduction to psychology courses taken at other institutions also will satisfy the Introduction to Psychology prerequisite for our upper level PSYC courses but will not earn General Education (GE) credit for students who started college in Fall 2015 or later. No prerequisite waiver is necessary.
6. Some courses may have additional prerequisites or restrictions. Please check the USC Schedule of Classes and the USC Catalogue.
7. Students may satisfy up to two upper division (300-499 range) minor requirements through approved Dornsife Overseas Studies programs.
