Announcements

PAST EVENTS

On Monday September 9th, we held our first brown bag in which the clinical area welcomed the first year students and Professor Dan Nation: See the picture of advanced students “hooding” first year students.

On Wednesday September 11th, Gayla met with the 6 students planning to apply for internship. A timeline was distributed. It is important that each student begin writing their essays and get feedback from many people especially their advisors.

FUTURE EVENTS

For the second brown bag to be held on Monday, October 7th, Dr. Adam Leventhal from Preventive Medicine will present. Topic and Abstract forthcoming.

The following Monday, October 14th, Dr. Steve Frankel will present his all-day workshop on ethics and the law. Please RSVP to Dr. Shannon Couture: scouture@usc.edu
