You're invited to
a reception for Political Science and
International Relations faculty

Join us on Thursday, March 25th at 1:00 p.m. in the VKC Library.

The purpose of the event is to honor all Political Science and International Relations faculty. It will also provide an opportunity for faculty in two closely-related fields to get to know one another in a casual setting within an important location on the university’s campus.

Although the Von KleinSmid Center Library has a long history, with its core collection of materials tracing back to Dr. Von KleinSmid’s initial gift in 1932, the purpose of the library has remained unchanged— to be a collection-based, service-oriented research and learning center for greater public understanding and appreciation of the world in which we live.

Our faculty have been working hard this academic year searching for new faculty colleagues & refining the POIR program - so let's take a break and gather to meet, greet, schmooze, and celebrate our scholastic accomplishments (including our VKC library victory lap), and get to know some of our new, esteemed part-time faculty including California State Treasurer Bill Lockyer and Former Gubernatorial Candidate William Simon.
