#RecreateResponsibly

**KNOW BEFORE YOU GO**
Check the status of the place you want to visit. If it is closed, don’t go. If it’s crowded, have a Plan B.

**PLAN AHEAD**
Prepare for facilities to be closed, pack lunch and bring essentials like hand sanitizer and a face covering.

**PRACTICE PHYSICAL DISTANCING**
Keep your group size small. Be prepared to cover your nose and mouth and give others space. If you are sick, stay home.

**PLAY IT SAFE**
Slow down and choose lower-risk activities to reduce your risk of injury. Search and rescue operations and health care resources are both strained.

**EXPLORE LOCALLY**
Limit long-distance travel and make use of local parks, trails and public spaces. Be mindful of your impact on the communities your visit.

**LEAVE NO TRACE**
Respect public lands and waters, as well as Native and local communities. Take all your garbage with you.

**BUILD AN INCLUSIVE OUTDOORS**
Be an active part of making the outdoors safe and welcoming for all identities and abilities.
