Co-Curricular Opportunities

An undergraduate education provides both the means and challenges to bring forth latent capacities, skills and potential through the cultivation and enrichment of the human mind and spirit. Curricular, co-curricular, and extra-curricular opportunities serve as the vehicles to enrich the undergraduate experience while making it possible for students to gain and develop experience, skills, and qualities conducive to careers in graduate or professional school, fellowships, scholarships, employment, and beyond.

Employer | Graduate School | Fellowship & Scholarship Expectations

The following is a synthesis of qualities, skills, and experience sought by employers, graduate and professional schools, and scholarship/fellowship programs:

- Civic engagement
Research

Problems without Passports (PWP)
Problems Without Passports is a program that combines summer course and problem-based inquiry with study away from the USC campus. Students may earn 4-units of course credit.

http://dornsife.usc.edu/problems-without-passports/

Maymester
USC Dornsife offers a small number courses which take place during the four weeks after graduation. Maymester courses are stand-alone course offerings. Students may earn 4-units of course credit.

SURF and SOAR
The Summer Undergraduate Research Fund (SURF) and Student Opportunities for Academic Research (SOAR) provides funding for undergraduate research. SURF allows students to apply for stipends of up to $3,000 for summer research projects in collaboration with Dornsife faculty. SOAR provides undergraduate students with $1,000 grants for non-course related research.

Internships

Gateway Internship Program
Dornsife College’s Gateway Internship Program prepares USC Dornsife students for life after college by providing opportunities to explore a career through a paid summer internship experience in for-profits, non-profits, and government agencies. Student are paired with a mentor and attend leadership seminars. Program is available to Dornsife majors and minors with a 3.5 cumulative gpa and sophomore, junior or rising senior standing.
