

April 8, 2024

HAPPY MONDAY! Today (April 8) is a very special day!: A total solar eclipse will cross North America, passing over Mexico, United States, and Canada. Please heed [NASA's warnings](#) on how to safely observe the eclipse! The USC Physics and Astronomy department is hosting a table by Tommy Trojan for students to watch the eclipse safely at approximately 10 a.m. [Learn more here!](#)

*"What's the sense in having an eclipse if you can't look at it? Somebody in production sure slipped up this time!"*
