

A wide-angle photograph of the Milan Cathedral (Duomo di Milano) in Italy, captured during the golden hour of sunset. The sky is filled with soft, orange and pink clouds, and the sun is low on the horizon, casting a warm glow over the scene. The cathedral's intricate Gothic architecture, including its numerous spires and detailed facade, is the central focus. The foreground shows a wide, paved square with a few people walking, and classical buildings line the sides of the square.
