

A panoramic view of the São Paulo skyline at dusk. The sky is a deep, dark blue with some lighter clouds near the horizon. The city is densely packed with buildings of various heights and styles. Many windows and balconies are lit up with warm yellow and orange lights, creating a vibrant contrast against the dark sky. In the background, several prominent skyscrapers stand out, including the Torre Branca (White Tower) with its distinctive spire. The overall atmosphere is one of a bustling, modern metropolis.
