

Infant Walking Study

USC Health Sciences Campus
1540 Alcazar St., Los Angeles
Free parking provided

PURPOSE: To learn about how infants play and explore as they learn to walk

WHAT IS INVOLVED: Tests of your child's motor skills and observation of your child playing in a lab playroom

WHO CAN PARTICIPATE: Children 9-18 months of age

COMPENSATION: Families will receive \$30 for a single 30-60 minute lab visit.
