CLOSING REMARKS

RECESSIONAL

Dear Graduates,

The USC Dornsife community is proud of the rigorous academic journey you have completed to arrive at this moment. You have earned a degree, but you have done more than grow intellectually. You have also developed the skills and mindset to be a leader in any career or endeavor you choose to pursue. As scholars well-versed in the letters, arts and sciences, I am confident that you will find great success and personal enrichment while seizing opportunities in the years ahead.

The friendships you have made and the experiences you have accumulated here will stay with you forever — and I hope you revisit them often. Know that as an alumnus of USC Dornsife, you will always be a valued member of our Trojan Family. Please keep us informed of your ongoing achievements (alumni.usc.edu). By staying connected with us, we can build together an even stronger and more vibrant academic community.

Congratulations and best of luck in the new adventures that await.
