

### Invited International Conference Talks

IAU Symposium 123, Aarhus, Denmark, 1986  
IAU Symposium 132, Paris, 1987  
IAU Colloquium 121, Versailles, 1988  
*Internal Rotation of the Sun*, Les Houches, France, 1989  
ITP *Physics of dense plasmas*, Santa Barbara, Dec. 1989  
ITP *Helioseismology*, Santa Barbara, Mar.-May 1990  
*Physics of Nonideal Plasmas*, Gosen, Germany, 1991  
IAU Symposium 137, Wien, Austria, 1992  
GONG 1992, Boulder, CO, 1992  
IAU Colloquium 147, St. Malo, France, 1993  
OJI-International Seminar, Tomakomai, Japan, 1993  
XXII IAU General Assembly (JD3), Den Haag, The Netherlands, 1994  
SOHO-GONG, Asilomar, CA, 1995  
*Physics of Strongly Coupled Plasmas*, Binz, Germany, 1995  
AGU, San Francisco, CA, 1996  
SCCS 97, Boston, MA, 1997  
ISSI Workshop, Bern, Switzerland, 1998  
*Astrophysics on Large Lasers*, Tucson, AZ, 1998  
NATO ASI, Çeşme, Turkey, 1998 (two talks)  
General Assembly, German Physical Society, Plenary Talk, 2000  
*Physics of Nonideal Plasmas: PNP10*, Greifswald, Germany, 2000  
*Astrophysical Fluid Dynamics*, Caussens, France, 2001  
*Inertial Fusion Science Applications*, Kyoto, Japan, 2001  
Summer School, Max-Planck Institute for Plasma Physics, Greifswald, Germany, 2002  
*13th IRIS Workshop*, Samarkand, Uzbekistan, 2002  
*Equation of State in Astrophysics* (2 talks), Lorentz Center, Leiden, 2004  
*Strongly Coupled Coulomb Systems*, Moscow, Russia, 2005  
*Solar and Stellar Physics with Eclipses*, Side, Turkey, 2006  
Festive Talk for award of *Lise-Meitner Prize*, Berlin, Germany, 2006  
Progress in Electromagnetics Research Symposium (PIERS), Beijing, China, 2007  
*Unsolved Problems in Stellar Physics*, Cambridge, UK, 2007  
*The Art of Modelling Stars in the 21st Century*, Sanya, China, 2008  
*Synergies between solar and stellar modelling*, Rome, Italy, 2009  
International Conference on *Physics of Non-Ideal Plasmas*, Chernogolovka, Russia, 2009  
*Impact of Asteroseismology across Stellar Astrophysics*, KITP, Santa Barbara, CA, 2011  
*Northern Astrophysical Colloquium*, University of Rostock, 2013  
Plenary talk at *American Physical Society Meeting, Far West Section*, 2014  
*The Future of Solar Modelling*, Sierre, Switzerland, 2023
