## usc College OF LETTERS, ARTS & SCIENCES **Dean's List**

USC College of Letters, Arts and Sciences regularly recognizes students who have achieved a GPA of 3.5 or higher during the previous semester by including their names on the Dean's List. Students here achieved this honor in Fall 2010. The high caliber of scholarship showed by these students enhances the quality of education for all of our students while rewarding our faculty for their efforts. On behalf of USC College, I congratulate and commend them for their contribution to scholarly life at the University of Southern California.

Sincerely,
