Event Wrap: EASC Taiwanese Documentary Series

The third and final installment of the EASC Taiwanese Documentary Series concluded successfully last Wednesday, featuring three film screenings, a panel with columnist Mr. Chang Tieh-chih and USC faculty Stanley Rosen and Daniel Lynch, and a Q&A session with the filmmakers Fu Yue and Ho Chao-ti. Over 100 students, faculty, and community members gathered to watch the feature film, *Sunflower Occupation*, which detailed the progression of the historic Sunflower Movement, which saw hundreds of students occupying the Taiwanese parliamentary building for weeks and hundreds of thousands of demonstrators outside. Lively discussions took place during both the afternoon panel and the evening Q&A with the filmmakers.
