Tomorrow is the second annual USC-PCC Transfer Panel, a part of the USC-PCC Partnership that is supported by EASC's Title-VI National Resource Center grant from the U.S. Department of Education. The purpose of this event is to help community college students transfer to 4-year institutions such as USC and UCLA and consider majors, minors or coursework on East Asia. This event will be held on the campus of Pasadena City College and will feature 4 USC transfer students who will provide tips on the application process, financial aid, and other helpful advice based on their experiences successfully transferring to USC.
