EASC Funds Fellows' Research, Language Training, Learning

Each year, EASC supports undergraduates, graduate students and faculty through a number of funding opportunities made possible by federal, foundation and donor support. In summer 2013 and academic year 2013-14 alone, we gave **\$278,227** in fellowships to 15 undergraduate students, 23 graduate students and 5 faculty from 22 different departments and schools at USC. We are committed to supporting a breadth of research and disciplines in order to build a stronger East Asian studies community across the University. Here is a look at some of the people and projects we funded in the past year. [>Read More](#)
