**WHAT'S NEXT?**

The most important part of your Advisement Record is your planned schedule (left), but thank you for also marking major courses already taken (above)! Please be sure you're familiar with all the important reminders (page 2) before submitting your form to english@usc.edu (with requested subject line). A completed "Notes" section is also invaluable to us when processing, as we'll cross-check your planned schedule with the remaining requirements that show up on your STARS Report. Please add any context that may be helpful to "Notes," so that we may better understand the bigger picture – for example, if you've listed a course for a declared or planned second major/minor, you're taking less/more than 16-18 units for any reason (explain why), or you're requesting ENGL 300/310 D-clearance as you plan to apply for LEAP.
