JOB ANNOUNCEMENT
Joint Educational Project (JEP)
STEM Education Programs

JEP is searching for **UNDERGRADUATE** students pursuing degrees in the sciences with at least **2 years** to commit to the STEM Education Programs. The Teaching Assistants are each placed at one of seven elementary schools in our immediate USC community to teach hands-on science lessons to 2nd-5th grade classrooms supporting teachers and students in science education. **This position would begin in the Spring 2024 semester.**

See program website: [https://dornsife.usc.edu/joint-educational-project/young-scientists-program/](https://dornsife.usc.edu/joint-educational-project/young-scientists-program/)

**Responsibilities of this position:**

- Presenting meaningful, hands-on science lessons that will be implemented in assigned school;
- Organizing and maintaining the Science Lab Materials for assigned classes;
- Assisting classroom teachers and students with science activities to promote the development of science education;
- Other responsibilities which match specific program needs.

**Job requirements:**

- An interest in science education;
- Strong communication skills;
- Strong organization skills;
- Ability to manage multiple tasks and responsibilities;
- A self-starter, able to take initiative and work independently;
- At least 7-9 hours per week available to dedicate to the position (pay rate $16.78/hour);
- Attendance at regular staff meetings.

To apply, contact Dr. DJ Kast at the JEP House:
Email: dkast@usc.edu  phone: 213-740-1837

**Deadline to apply:** 11/3/23
