Math Center Consulting Hours During Study Days and Finals
Saturday, Dec 6 – Tuesday, Dec 16

During study days and finals the Math Center is open and there will be graduate assistants available to help, but the regular schedules change. Some graduate students give regular consulting hours and others give more formal review sessions. Consulting hours are generally held in the Math Center, review sessions are generally held in some other room. The schedules below show when the graduate assistants in the department will be available. These schedules will be updated on a daily basis so keep checking back!

Type:
* C stands for consulting hours
* R stands for review session

Room:
* MC stands for Math Center (KAP 263)
* TBA means that a room is being reserved with the university but we haven't yet heard from them where it will be. Check back later to find out where it will be. If it is still TBA close to the time of the session, call Jonah Cano at (213) 740-2400.
