ASSESSMENT EXAM FOR MASTERS AND PHD STUDENTS

Masters and PhD students are also invited to take our **Quantitative Finance Exam** on one of the dates below— however, you **MUST attend the information session (above) if you would like to take our exam.**

Notes regarding the exam: The exam is 60 minutes in length. Questions span across 4 main topic areas: math, financial math, programming and finance. All questions relate to a role within the Quantitative Finance program. Keep in mind - this is an assessment of your strengths and weaknesses, and we understand that all candidates **will not be** experts in all 4 areas of the exam.

Please note that we **do not** provide further details on the content / preparation for the assessment. **You will receive confirmation / reminder & location information one day prior to the exam.**

TO REGISTER - Follow below steps by 10/5:

1. **Sign Up** for ONE of the dates/time options below:
