### **August 24, 2022**

**HealthDay** via **US News & World Report**, **St. Louis Post-Dispatch**, as well as **Medscape**, **New York Post**, **Daily Mail**, **El País**, **MSN**, and **Yahoo News** reported on a study by USC Dornsife Professor David Raichlen linking sedentary behavior to dementia

**Los Angeles Times** spoke with Paul Byrne, a USC Dornsife doctoral candidate about tools used to dig up fossils

**House Beautiful** via **Aol.com** quoted USC Dornsife professor Tok Thompson in an article about ghost stories

**KPLA (Columbia, MO)** reported on USC Dornsife and Marshall Emerita Wendy Wood's research regarding habit formation

### **August 23, 2022**

**Bay News 9** quoted USC Dornsife's Robert Shrum regarding the senate race in Pennsylvania

**San Francisco Chronicle** quoted USC Dornsife's Christian Grose regarding LA's mayoral race

**CBS News 8** (San Diego) and other TV stations featured an interview with USC Dornsife's Norbert Schwarz regarding misinformation online

### **August 22, 2022**

**Los Angeles Times** spoke with Manuel Pastor of USC's Dornsife Equity Research Institute about tensions between Latinos and Black Americans can flare partly because they compete against each other in low-wage labor markets

**The Guardian** highlighted Mary Droser of the USC Dornsife's work on making Flinders Ranges, one of Australia's natural wonders

### **August 19, 2022**

**Los Angeles Times** spoke with Paul Byrne, a USC Dornsife doctoral candidate about tools used to dig up fossils

### **August 18, 2022**

**New York Times** spoke with William Deverell of USC Dornsife about more Southern California homeowners ripping out their lawns due to water supplies running low

Spectrum News 1's *Inside the Issues with Alex Cohen* featured an interview with USC Dornsife's Will Cowan regarding California's last megaflood

**KQED** interviewed USC Dornsife's Jorge Barraza for a story regarding consumers who regret purchases made during the pandemic

### **August 17, 2022**

**The Washington Post** highlighted a study by Christian Grose of USC Dornsife focused on congressional delegations

**Brookings Institution** ran an opinion about parents' disinclination to encourage their kids to engage in masking and social distancing, which was co-authored by Dan Silver, Morgan Polikoff of USC Rossier, and Anna Saavedra of USC CESR at Dornsife

#### **August 12, 2022**

**Houston Chronicle** via The Conversation published a story written by USC Dornsife's Wendy Wood and Asaf Mazar, one of her Ph.D. students, about willpower not breaking unhealthy habits but rather changing habits and routines

**KCRW-FM** featured Manuel Pastor of USC Dornsife's Equity Research Institute about his study that shows the growth of Latina influence in local and state politics

#### **August 11, 2022**

**LA Times** covered Sarah Portnoy of USC Dornsife's exhibit called "Abuelita's Kitchen" Mexican Food Stories which showcases Mexican-American history and culture

#### **August 10, 2022**

**KTTV-TV** interviewed William Deverell of USC Dornsife about what can people do to conserve water

#### **August 8, 2022**

**WHYY-FM** spoke with Clifford Johnson of the USC Dornsife about replicating the power source of the sun through fusion power

#### **August 5, 2022**

**NPR** highlighted the research of USC Dornsife's James McHugh regarding perfumes and how they were branded in medieval India

**USA Today** mentioned a USC Dornsife lab's partnership with a Carlsbad business for aquafarming and marine research

#### **August 4, 2022**

**LA Business Journal** spoke with Surya Prakash of the USC Dornsife Loker Hydrocarbon Research Institute on the implications of an ethanol plant using sugar cane as feedstock. He says that the market is there for additional ethanol production.

**Smithsonian Magazine** interviewed Alice Baumgartner of USC Dornsife about her study on Mexican citizens protecting enslaved people from slaveholders who attempt to kidnap runaways

**ZME Science** highlighted research by Ann Owens' of USC Dornsife on the widening income segregation between neighborhoods

## July

**July 29, 2022**

**NBC News** quoted Andrew Lakoff of the USC Dornsife College on why the Strategic National Stockpile did not serve the U.S. well during the pandemic.

**Los Angeles Times** quoted Matthew Kahn of the USC Dornsife College on how the pandemic and remote work allowed privileged families to relocate.
