TOP TEN STUDENTS ORGANIZATIONS

Recommended by the 2022-2023
Student Advisory Board

There are so many opportunities to get involved on campus! These student organizations and clubs are the perfect way to connect with your peers, engage with the community, and gain experience in your pre-health field.

Trojan Health Volunteers

THV is an organization under the Joint Educational Project that gives undergraduate students the opportunity to gain valuable volunteer experience in a variety of hospital and clinic settings. THV supplements the volunteering experience with written assignments, bioethical group discussions, and guest speaker events for members to expand their knowledge and understanding of healthcare. Students must complete at least one semester at USC before becoming a member.
