| | | | ___ PSYC 372
Human Sexuality | |
| | | | ___ PSYC 404L
Psychophysiology Emotion | |
| | | | ___ PSYC 426
Motivated Behaviors and Addiction | |

Please Note:

1. All courses used to count towards the major must be taken for a letter grade. A grade of C- or higher is required to count a class toward the major.
2. Acceptable substitutions for PSYC 100Lg include, but are not limited to: AP PSYC score of 4 or 5 and Higher Level IB PSYC score of 5, 6, or 7. These substitutions do not earn GE credit for students who started college in Fall 2015 or later. Please see PSYC Advisors for PSYC 100g prerequisite waivers.
3. On the Transfer Credit Report in OASIS, "TR-PSYC" for introduction to psychology courses taken at other institutions also will satisfy the Introduction to Psychology prerequisite for our upper level PSYC courses but will not earn General Education (GE) credit for students who started college in Fall 2015 or later. No prerequisite waiver is necessary.
4. Acceptable substitutions for MATH 114xg include, but are not limited to: AP Statistics score of 4 or 5, MATH 208x, MATH 218, or MATH 265.
5. It is recommended that no more than two upper division psychology courses be taken prior to the completion of PSYC 274Lg and PSYC 314L.
6. PSYC 100Lg and PSYC 274Lg are prerequisites for PSYC 314L. PSYC 100Lg, PSYC 274Lg and PSYC 314L are prerequisites for PSYC 316L. Please give yourself time to complete PSYC 274-PSYC 314-PSYC 316 sequence in a timely fashion.
7. PSYC 440, PSYC 404, PSYC 420, and PSYC 426 may be used to fulfill either the Psychology Area or the PSYC 400-Level course requirement, but **not** both requirements.
8. For students pursuing the Psychology Honors Program, PSYC 314L must be completed before or taken at the same time as PSYC 380. PSYC 380 will count towards the Psychology Elective Requirement and PSYC 480 will count towards one of the PSYC 400-Level requirements.
9. Students may satisfy up to four upper division (300-499 range) major requirements through approved Dornsife Overseas Studies programs.
10. Some Psychology courses may have additional prerequisites or restrictions. Please check the USC Schedule of Classes and USC Catalogue.
