

## Sociology Minor

Total units: 20

Students of sociology examine the patterns of social life, focusing on the relationship of individuals to society and the interaction of culture, economy, and politics in shaping social life. The greater Los Angeles area provides a natural laboratory for students to explore such sociological themes as race relations, work and workplace, immigration, the family in a changing society, population trends, globalization, religion, and the criminal justice system.

### Core Requirements (8 units)

Choose two courses from the following:

Course Prefix	Course Title	Units
