Greetings,

We are writing to you because you lead a department, program, center, institute or office at USC Dornsife with a web presence. We would like to request that you complete a brief survey for the **USC Dornsife website redesign project**.

Your answers will help shape **messaging** for the new USC Dornsife website and help us determine who from your unit will be the **points of contact** for the project.

Please submit your responses by May 11. You may assign someone to complete the survey in your place. We will consider all submitted responses as approved by your unit.

View a list of USC Dornsife websites by **chair/director name** or by **website name**.
