### Help Us Feature You and Your Students

Dear USC Dornsife faculty and staff,

**We're building our library of images for the new USC Dornsife website launching early next year and we'd love to feature you and your students!**

We are looking for **exciting classroom experiences, engaging work in science labs, lively course discussions on campus** and compelling **fieldwork around Los Angeles** to capture that highlight the USC Dornsife experience to use throughout our new website.

These images may be used throughout the website on the homepage, pages about the undergraduate and graduate experience, academic department pages, office pages and more.

Please fill out our survey by **Friday, Oct. 14** to let us know about potential opportunities for a photographer to snap images of the USC Dornsife community in action. We will not be able to accommodate all photography suggestions but we will do our best.

We also welcome submissions of recent high-resolution images that you take of USC Dornsife academic experiences.

Please upload images you would like to submit to your [USC Google Drive account](#) and send the folder link to [webproject@dornsife.usc.edu](mailto:webproject@dornsife.usc.edu).

Please ensure all people pictured in your photographs have signed [USC's Image Release](#). You may include signed releases with your submission.
