

DORNSIFE COLLEGE LAB CRAWL

7 LABS. 7 DISCOVERIES. YOUR JOURNEY.

Unlock knowledge.
Explore innovation.
Discover your spark.

HUMAN BIOLOGY LABS

Physical Education
Building (PED) J6

"SECURITY AND POLITICAL ECONOMY (SPEC) LAB

Dr. Joseph Medicine Crow
Center (DMC) J8

FISHER MUSEUM OF ART (Fisher/HAR) L5

MICHELSON CENTER for Convergent Bioscience (MCB) J3

ARCHAEOLOGY RESEARCH CENTER (ARC) LAB Ahmanson Center for Biological Research (ACB) L5

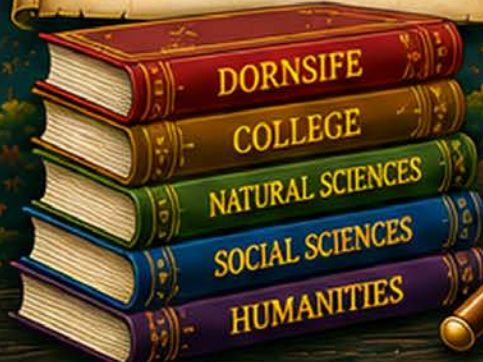

BIOLOGICAL SCIENCES RESEARCH LAB Ray R. Irani Hall (RRI) I3

"BECOMING LOS ANGELES" at the NATURAL HISTORY MUSEUM Meet at Iovine & Young Hall (IYH) L4 on Exposition Blvd (Museum is in Exposition Park, just across the street from USC.)

YOUR 7 STEPS. ENDLESS POSSIBILITIES.

-  HUMAN BIOLOGY LABS
-  FISHER MUSEUM OF ART
-  SECURITY AND POLITICAL
ECONOMY (SPEC) LAB
-  MICHELSON CENTER
-  ARCHAEOLOGY
RESEARCH CENTER (ARC) LAB
-  BIOLOGICAL SCIENCES
RESEARCH LAB
-  "BECOMING LOS ANGELES"
at the NATURAL HISTORY MUSEUM

DORNSIFE COLLEGE LAB CRAWL STUDENT GUIDE

Plan your adventure on your own, or meet other Dornsife Explorers
at 3:45pm in front of Tommy Trojan.

VISIT	WHEN TO GO	WHERE TO GO	HOW TO FIND IT	WHAT YOU'LL EXPERIENCE
	Wednesday, Sept. 2, 4 – 6 PM	Human Biology Labs Physical Education Building (PED) 3560 Watt Way Enter on Watt Way	From the center of campus, head northwest. The PED is the red-brick building on the north side of Watt Way. Enter through the doors facing Watt Way.	Explore how our bodies work at the cellular and molecular level through hands-on demos and interactive exhibits.
	Thursday, Aug. 27, 4 – 6 PM or Wednesday, Sept. 2, 4 – 6 PM	Fisher Museum of Art (Fisher/HAR) 823 Exposition Blvd Near Exposition Blvd at 34th St.	From central campus, head south toward Exposition Blvd. The museum is on the north side of Exposition Blvd, near 34th St.	Experience inspiring art and special exhibits that connect creativity, history, and culture.
	Thursday, Aug. 27, 4 – 6 PM or Wednesday, Sept. 2, 4 – 6 PM	Security and Political Economy (SPEC) Lab Dr. Joseph Medicine Crow Center for Public & International Affairs (DMC) DMC 301 3518 Trousdale Pkwy.	Enter the Dr. Joseph Medicine Crow Center from Trousdale Pkwy. Take the elevator or stairs to the 3rd floor, Room 301.	See how data and technology help solve real-world problems in public and global affairs.
	Thursday, Aug. 27, 4 – 6 PM or Wednesday, Sept. 2, 4 – 6 PM	Michelson Center for Convergent Bioscience (MCB) MCB 220 1002 W. Childs Way	Enter the MCB building from Childs Way. Take the stairs or elevator to the 2nd floor, Room 220.	Discover how scientists from different fields collaborate to advance human health.
	Thursday, Aug. 27, 4 – 6 PM or Wednesday, Sept. 2, 4 – 6 PM	Archaeology Research Center (ARC) Lab Ahmanson Center for Biological Research (ACB) ACB 335 1050 N. State Dr.	Enter the ACB building from State Drive (near Childs Way). Take the elevator or stairs to the 3rd floor, Room 335.	Uncover the past through archaeological discoveries and see how artifacts tell human stories.
	Thursday, Aug. 27, 4 – 6 PM or Wednesday, Sept. 2, 4 – 6 PM	Biological Sciences Research Lab Ray R. Irani Hall (RRI) RRI 324 1050 W. Childs Way	Enter Ray R. Irani Hall from Childs Way. Take the elevator or stairs to the 3rd floor, Room 324.	Watch live research in action and explore how scientists investigate life at every scale.
	Thursday, Aug. 27, 4 – 5 PM or Wednesday, Sept. 2, 4 – 5 PM	"Becoming Los Angeles" at the Natural History Museum Meet at Iovine & Young Hall (IYH) L4 on Exposition Blvd (Museum is in Exposition Park, just across the street from USC.)	Meet at Iovine & Young Hall on Exposition Blvd. We'll walk together across the street to the Natural History Museum in Exposition Park.	Explore L.A.'s natural history, from ancient fossils to the amazing biodiversity of Southern California.
